

Is it teasing or joking?

Teasing vs Joking

Good-natured teasing	Hurtful teasing
<ul style="list-style-type: none">• Playful between BOTH people• Uses a friendly tone• Encourages friendships• Doesn't lead to physical clashes• Not serious• Sometimes lightens a stressed moment 	<ul style="list-style-type: none">• Angry body language and tone of voice• Continues even when suffering is seen• Continues even when it's upsetting to others• Is done to hurt someone• Often done by people who are trying to "show off"
